

ATTENTION ALL PATIENTS:

Due to national concerns regarding the Coronavirus (COVID-19), and in order to protect and safeguard our patients and employees, we are requiring **all patients and visitors to wear a mask** and have implemented screening measures to ensure that any individual entering an IMI outpatient facility is not experiencing any of the following symptoms:

- New or active cough
- Fever
- Flu-like symptoms
- Shortness of breath associated with the above symptoms

If you are experiencing any of these symptoms, please call 208-954-8150 to reschedule your appointment.

Moreover, in order to limit the number of people entering our facilities, we kindly ask that patients come into the facility unattended. If any patient requires assistance while entering the building, please call 208-954-8100 and a staff member will be out to help with transportation into the facility.

Thank you for your cooperation!
